

Cheltenham's Greatest Summer Sporting Event  
Attracting over 30,000 spectators.

The C&G Cheltenham Cricket Festival is one of the most loved events in the cricketing calendar. We believe that the idyllic Cheltenham College and the surrounding Cotswold hills provide the perfect setting for cricket. Gloucestershire have been playing at the College for over 130 years making it the world's longest-running cricket festival.

This year's two-week festival promises to be an event in keeping with the exceptionally high standards that have been set in previous years. Even newcomers to the sport can revel in the relaxing atmosphere.
