

CHELTENHAM CRICKET FESTIVAL 2017

The Cheltenham Cricket Festival is one of the most loved events in the social and sporting calendar.

The idyllic setting of Cheltenham College provides the perfect backdrop for cricket at the height of summer. The festival attracts more than 3,000 corporate and private guests and is an ideal opportunity to entertain clients, treat friends and family or reward staff.

We look forward to playing Glamorgan and Worcestershire in the two Specsavers County Championship matches. Hospitality takes place on the first three days of each four-day match only. Gloucestershire County Cricket Club is also delighted to present three NatWest T20 Blast games against Middlesex, Kent and Sussex.

Entertaining clients, building relationships and rewarding staff are all part of successful business life. Whether you are an individual, small business or a large company, we have the facilities to match all your requirements to entertain your most valued customers or clients. From arrival to close of play, we ensure a relaxing day for you and your guests.

If you wish for a more private booking we can reserve a whole marquee for groups of 30 or more.
