

Resolution relating to the Term of Office of our current President, David Lawrence

In the exceptional circumstances facing our current President, the Board strongly believe that compassion, kindness and sentiment should take precedence over the constitution. David has made known his desire to continue in post and the Board would like to fulfil his wish.

Resolution: that David Lawrence be allowed to continue as President until April 2026, a year beyond the end of his term as laid down in Clause 10.3 of the constitution.

As would be the case with a proposal for a permanent constitutional change, as laid down in Clause 16.1, the Board will ask for the support of 66% of those present at the AGM in order for the motion to be carried.
