

Dear

Sportsman's Lunch Friday 22nd November 2019

I am delighted to announce that this year's annual Gloucestershire CCC Sportsman's Lunch will be held in the Premier Lounge on the second floor of the Bristol Pavilion at the County Ground on Friday 22nd November.

I am really pleased that this year's very special guest speaker is former England test Cricketer Phillip Defreitas.

The price of the event this year is £49 per person which includes a three course lunch prepared by our Centreplate chefs and half a bottle of wine per person.

Lunch will be served at 12.30pm, with pre-lunch drinks available from midday.

All profits from the lunch will be used to support the Gloucestershire CCC Youth Development programme. Over the past few years an increasing number of first team players have come through this route, with encouraging results, so this is an ideal opportunity to lend your support to the development of the team, whilst enjoying yourself at the same time.

I do hope that you will be able to attend this year's event with our very special guest Phillip Defreitas.

Thank you for your support. It is much appreciated. I can assure you that this will be a most enjoyable afternoon.
