

Gloucestershire Cricket COVID Etiquette

In order to assist Gloucestershire Cricket staff and stewards, and to help protect you and your fellow spectators, you are kindly requested to follow these guidelines:

- When you are in the ground, please stay in your allocated seat. At all times, and to comply with regulations in place for sports stadia, **please ensure that you wear your mask at all times when moving around the ground or in any internal spaces**, unless you're eating or drinking or have an exemption. We strongly recommend that for the safety of everyone that masks are also worn when in your allocated seat but this is not an essential requirement.
- In order to keep all visitors to the ground safe, we'd ask that if you have access to lateral flow tests and are able to complete one in the 24 hours before travelling to the ground, this would be much appreciated and only travel if the test result is negative.
- At all times and in all parts of the ground, please observe social distancing and avoid close contact with others not in your social or support bubble
- Arrive in good time to go through all the necessary entry procedures.
- Make sure in advance that you know where your entry point is, and, if an entry time is specified on your ticket, be there on time.
- Be aware that your temperature might be taken before entry.
- The Bristol County Ground and Visit Cayman Islands Cheltenham Cricket Festival are now contactless stadiums
- If you need to access any of the ground's amenities, such as toilets, food and drink outlets, or concessions, check to see if any of them are not in use, and plan accordingly.
- Remain in your seat or place at all times whenever possible.
- If you do need to leave your viewing position, wait for a time when the gangway is clear and always follow the signs indicating which way to go.
- If you are in a seated area, when moving past other spectators, to and from your seat, please avoid face to face contact with other spectators.
- If you are in a standing area, please stay within your social or support bubble and remain aware of the movements of others at all times.
- Maintain good hand hygiene – use the sanitiser dispensers provided and avoid touching your face whenever possible.
- Please observe respiratory etiquette – always cover your mouth if needing to cough or sneeze.
- Avoid hugs, high-fives and any close contact with people who are not within your social or support bubble.
- If you are attending with other members of your social or support bubble, please make sure they have read and understood these guidelines too.

- Please be aware that for everyone's safety we may need to empty the ground slowly. Please allow time at the end of the match and be prepared to wait your turn.

Thank you for your support and co-operation. **Stay alert. Stay safe.**

Help us all – your fellow Gloucestershire fans, your club, your sport, your community.
